

ARLAN W. FUHR, DC

Chief Executive Officer and Co-Founder of Activator Methods International, Ltd.
President, National Institute of Chiropractic Research

EDUCATION/DEGREES

Logan College of Chiropractic 1961 Doctor of Chiropractic St. Louis, Missouri
University of Minnesota 1958, undergraduate pre-chiropractic

DISTINCTIONS/HONORS

May 2009 – World Federation of Chiropractic Honour Award
August 2008 – Dynamic Chiropractic's Champions of Chiropractic Hall of Fame
December 2006 – Dynamic Chiropractic's Person of the Year
July 2005 – American Chiropractic Association President's Award
Greenawalt Foundation Award for Clinical Excellence in Technique (2004)
Member International Society for the Study of the Lumbar Spine, April 2000
Arizona Governors Council on Health, Physical Fitness and Sports, August 1994
Chiropractor of the Year 1993, Arizona Association of Chiropractic
Daniel David Palmer Chiropractic Scientific Award, Palmer College of Chiropractic, Davenport, Iowa, 1993
Fellow, Palmer West Academy, Palmer College of Chiropractic West, Sunnyvale, California, 1991
Board of Trustees, Logan College of Chiropractic, St. Louis, Missouri, 1981 to 1991
Chair, Finance Committee, Logan College of Chiropractic, St. Louis, Missouri, 1981 to 1991
Testified before US Congress in 1990s – as a result, chiropractic received federal research grants and inclusion in Department of Defense and Veterans Administration
Public Policy Committee Arizona Association of Chiropractic successfully passed Arizona House Bill 2600 – signed into law allowing 12 office calls without primary care physicians authorization
Television and radio appearances: 2000. Taiwan the Ann Chen Television Show; 2004. Phoenix, Bob Martin radio show
2000: Australia, The 2AW Ernie Siegel radio show
Doctor of Humanities (Honorary), Logan College of Chiropractic, St. Louis, Missouri, 1973
Guest speaker at over 30 chiropractic state conventions
Invited speaker at every chiropractic college in the USA.
Guest speaker in New Zealand Chiropractic College, Royal Melbourne Institute, Macquarie University, Sydney, Australia
Editorial board member *Journal of Chiropractic Medicine*

ARLAN W. FUHR, D.C.

GRANTS RECEIVED

Received first grant (\$50,000) ever given to chiropractic from the National Institutes of Health in 1985

INVENTIONS

Fuhr, A.W. 2004, *Chiropractic Adjusting Instrument*, US Patent 6702836.

Colloca, C.J.; Keller, T.S.; Fuhr, A.W. 2002, *Neuromuscular Reflex Assessment Method*, US Patent 6480735.

Fuhr, A.W. 2002, *Chiropractic Adjusting Instrument*, US Patent 6379375.

Fuhr, A.W. 2001, *Force Applying End of a Chiropractic Adjusting Instrument Including Body Contact Member and Shank*, US Patent D449,380.

Fuhr, A.W. 2001, *Handle End of Chiropractic Adjusting Instrument*, US Patent D449379.

Keller, T.S.; Lehneman, J.B.; Fuhr A.W. 1999, *Method for Determining the Dynamic Biomechanical Characteristics of a Musculoskeletal Structure and for Treatment of Musculoskeletal Disorders*, US Patent 5897510.

Keller T.S.; Fuhr A.W. 1997, *Chiropractic Adjusting Instrument and Method*, US Patent 5653733.

Keller, T.S.; Fuhr, A.W. 1997, *Chiropractic Adjustment Instrument*, US Patent 5626615.

Keller, T.S.; Lehneman, J.B.; Fuhr A.W. 1997, *Apparatus for Determining the Dynamic Biomechanical Characteristics of a Musculoskeletal Structure and for Treatment of Musculoskeletal Disorders*, US Patent 5656017.

Keller T.S.; Fuhr A.W. 1996, *Force Applying End of a Chiropractic Adjusting Instrument Including Body Contact Member and Shank*, US Patent and D374081.

Fuhr A.W.; Winters J.; Osterbauer P.J. 1993 *Non-Invasive Method for Determining Kinematic Movement of the Cervical Spine*, US Patent 5203346.

Fuhr, A.W.; Lee, W.C. 1978, *Chiropractic Adjusting Instrument*, US Patent 4116235.

PUBLICATIONS

Books and chapters:

The Activator Method – Second Edition, Mosby/Elsevier, St. Louis. MO, 2008.

Activator Methods Chiropractic Technique, Mosby Year-Book, Inc., St. Louis, MO, 1996.

Description and Analysis of Activator Methods Chiropractic Technique. In: Lawrence, D.J.; Cassidy, J.D.; McGregor, M.; et al., eds. *Advances in Chiropractic*, Volume 3. Mosby-Year Book, Inc, St. Louis, MO, 1995; 2:471-520.

Low Force Technique: The Activator Methods Chiropractic Technique. In Haldeman, *Principles and Practice of Chiropractic*, expected publication 2003.

25 peer reviewed publications since 1985 in chiropractic research

42 conference proceedings on biomechanical, neurophysiology and chiropractic clinical research

100 copyrights registered by the United States Library of Congress

ARLAN W. FUHR, D.C.

47 registered trademarks: 20 domestic USA, 27 in foreign markets: Australia, Canada, European Union, Japan, Mexico, Taiwan, and the United Kingdom

As president of National Institute of Chiropractic Research, has led funding for over 250 publications on chiropractic history, science, and clinical practice. NICR has dispersed over \$650,000 in grants.

CLINICAL/PROFESSIONAL EXPERIENCE

44 years of private practice -- owner/director of three successful practices in Minnesota and Arizona

2005 to present -- First chiropractic physician at Carl T. Hayden Veterans' Affairs Medical Center

Director of Conservative Care – Neighborhood Christian Clinic Phoenix, Arizona

1995 -- Council Member, Council on Chiropractic Guidelines and Practice Parameters

Logan Chiropractic College, Life Chiropractic College/West, Cleveland College of Chiropractic

Post-graduate department faculty, Palmer College of Chiropractic

1990 to 1992 -- Commissioner, Committee for the Establishment of Guidelines for Chiropractic Quality Assurance and Standards of Practice. Mercy Center Conference, Burlingame, California, January 25-30, 1992

1991 to 1992 -- Member, Editorial Board, Back Letter for Chiropractors

1990 to present -- Clinical Research Coordinator, Phoenix, Arizona

1967 to present – Chief Executive Officer and Co-founder, Activator Methods International, Ltd.

Responsible for training over 100,000 chiropractors in AMCT

Over 3,000 doctors of chiropractic certified in AMCT

Today, over 50 seminars offered each year across US, Mexico, Australia, Japan, Canada, Ireland, UK, New Zealand, Taiwan and China
